

# Chisago Lakes Swim Pool

## Swimming Lessons

Class offerings

Spring 2022

### General program information

Our aquatic facility includes a 25 meter wide by 25 yard long eight lane main pool. The water depth ranges from 3'6" to 12'. The air temperature is 85° - 86° and water temperature ranges from 83° - 84°. The main pool includes an attached diving well of 12' depth with a one meter springboard.

We have a separate 10' by 20' wading pool designed just for many of our preschool classes. Depth range is 1' to 1'6", and the water temperature is 90°

There is a parent spectator area located near both pools. Our locker rooms and our pools are handicap accessible.

A wide variety of classes are offered seasonally throughout the year. We offer a limited amount of lessons during the fall, winter, and spring quarters. We offer a large variety of lessons all summer long. All of our lessons are age and skill ability grouped. Age as of the first class meeting and swimming ability determines class placement. We offer 'Tadpole' classes, (parent does not swim), just for three year olds. We have four levels of 'Squirts' classes for four & five year olds (parent does not swim). The classes for three year olds and the entry level classes for four & five year olds are taught exclusively in our wading pool. The upper level classes for four & five year olds are introduced to the main pool after students have achieved some safety training and swimming ability. We have a youth progressive program for students 6 years & older. We also offer supplemental speciality aquatic classes like competitive swimming and fitness classes. More detailed information of the different types of classes offered and the specific outcomes for each level is available on the district web site.

Our class offerings are teacher- student classes. Parents do not swim with the child at any level. Minimum ages must be met and skill level prerequisites must be accomplished to participate in lessons. To maintain students' safety and to establish a positive learning environment, we want students grouped in classes most appropriate to their swimming ability. Before a registration is processed, student age and skill level of any previous participants is confirmed in the on-line software.

### Choosing class levels

#### Never had formal swimming lessons:

Three year olds register for a Tadpole level 1 class, four or five year olds register for a squirts level 1 class and six or older register for a youth level 1 class.

#### In our program the past year:

If you've been in our lesson program the past year, the progress report at the end of a session indicates which class level is appropriate. We also keep records of student levels. Students who have been in our program the past year must register for the proper level. Those students registered at an improper lesson level will need to wait for another session to participate and the fee, minus a \$5 processing fee, will automatically be refunded.

#### New to our program or haven't been in our program for more than a year: Two ways to determine class level.

1. Refer to the skill descriptions and choose the class level most closely fitting your child's age and ability. Skills listed are skill outcomes for that level.
2. Pay the \$10.00 skill evaluation fee and an evaluation will be scheduled at your convenience.

#### Contact the aquatic director if your child has participated in another program and has some swimming ability.

Tadpole and Squirt level classes are 30 minutes in length.

All youth level classes are 40 minutes in length.

All classes meet six times in a session.

### Swim lesson fees

District students fee of \$60

**Please note: Only district students may participate in spring swim lessons because we have a staff shortage**

## Registration information

**On Line registration begins  
March 21, 2022 at 9AM**

**[click here for the on line registration link](#)**

**active March 21, 2022 9AM**

### *General information*

- Registrations taken on line. No phone registrations are accepted. There is a high demand for lessons and a severe staffing shortage. We accept only district #2144 student registrations because of limited space and limited instructors. Registrations will be taken until a class is full. The information line, web site, and on-line registration site are updated regularly.
- Registrations must include payment to be complete. A registration will not be processed if it is missing the class fee. Credit cards are accepted on line.
- **On line registration** click on the red link above or on the aquatic web page to set up an account and register on line. Registrations for district students begins **March 21, 2022**
- Registrations are accepted until a class is full or classes begin.
- Once a class is full, students are placed on a 'wait list', no fee is charged at that time. If space opens up, students are automatically placed on a FCFS basis into open spots
- Confirmation of class placement will be emailed. **You will receive a final email confirmation approximately 1 week prior to the start of a session.**
- Students who have been in our program must register for the proper level. Those students registered at an improper lesson level will need to wait for another session to participate and the fee, minus a \$5 processing charge, will automatically be refunded.
- New students pretested the first class that exceed or do not meet the class standards may be moved. Only a limited number of adjustments can be made the first lesson. The lesson supervisor has final class placement decisions. If no space is available, students will need to wait for another session to participate and the full fee will be refunded.

**Swim lesson fees**  
District residents only  
fee of \$60

### *Class confirmations*

- Lesson registration class final placement confirmations will be emailed approximately 7 days prior to the start of the lesson session.

### *Lesson fee refund policy (must be in writing)*

- Any refund request **made in writing** five business days prior to the start of the first lesson will be refunded the lesson fee minus a \$5 processing fee. Any refund request **made in writing** less than five business days prior to the start of the first lesson and the end of the second day of classes will be refunded 1/2 the lesson fee. No refunds will be issued after the end of the second lesson.

**\$5 processing fee charged for  
refund or for lesson 'change'  
requests**

### *Lesson change policy (must be in writing)*

- Any request for a time, session, or class change will be treated similar to a refund. Lesson change requests must be **made in writing** five business days prior to the start of the first lesson. If space is available, the change will be made and the \$5 processing fee will be charged. Any lesson change request **made in writing** less than five business days prior to the start of the first lesson and the end of the second day of classes 1/2 of the lesson fee will be charged and the change made if space is available. When you register for a swim class, you are reserving a spot and taking away from another. Requests in writing and deadline dates will apply for any lesson change request.

**Refund or lesson 'change' requests must be in writing (email)!!**

**Please note: Only district students may participate in swim lessons because of the severe staff shortage**

## Specific registration information

Please note: We are offering very limited lessons because we have a staff shortage

### District #2144 students only

- Lesson fees are \$60
- On-line registration for district 2144 residents begins March 21 at 9am

Because of a shortage of instructors, only district students may register.  
We are not taking non residents this spring 2022  
Summer classes will be offered to district and out of district students

## Spring Lesson Schedule

Monday evening classes

#### 5:45pm classes

Squirts level 1  
Youth level 1  
Youth level 2

#### 6:30pm classes

Youth level 1  
Youth level 2  
Youth level 4

refund - \$5 deadline: April 11  
1/2 refund deadline: April 25

### Session 2

April 19 - May 24, 2022  
Tuesday evening classes

#### 5:45pm classes

Tadpole level 1  
Youth level 1

#### 6:30pm classes

Squirts level 2  
Youth level 1

refund - \$5 deadline: April 12  
1/2 refund deadline: April 26

### Session 3

April 22- June 3 2022 (no class May 27)  
Friday evening classes

#### 5:45pm classes

Tadpole level 1  
Youth level 1  
Youth level 3

#### 6:30pm classes

squirts level 1  
Youth level 1  
youth level 2

#### 7:15pm classes

Yoouth level 1  
Youth level 2  
Youth level 4

refund - \$5 deadline: April 15  
1/2 refund deadline: April 29

### Session 4

April 23- June 4 2022 (no class May 28)  
Saturday morning classes

#### 9:15am classes

Youth level 2  
Youth level 3

#### 10am classes

Squirts level 2  
Youth level 4

#### 10:45am classes

squirts level 1  
Youth level 1

refund - \$5 deadline: April 16  
1/2 refund deadline: April 30

Session 2  
April 19 - May 24, 2022  
Tuesday evening classes  
16 years of age and older  
7:15-8PM

Classes must meet a minimum enrollment to run. Please register early!
